FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 29TH JUNE, 1840.

The following Act passed by the Right Honorable the Governor General of India in Council on the 29th of June 1840, is hereby promulgated for general information.

ACT No. XIV. OF 1840.

An Act for rendering a written Memorandum necessary to the validity of certain promises and engagements by extending to the Territories of the East India Company, in cases governed by English Law the Provisions of the Statute 9, Geo. IV. Ch. XIV.

It is hereby enacted, that the Statute 9, Geo. IV. Ch. XIV. shall be extended to the Territories of the East India Company; provided always that this Act shall not be construed to affect any case, which, would not have been governed by the Law of England before the passing of the aforesaid Statute, if this Act had not passed; or to extend or alter the jurisdiction of any of Her Majesty's Courts of Justice.

The Statute hereby extended to the Territories of the East India Company is as follows (the sum of £10 mentioned therein to be deemed 100 Rupees in the application of the Statute to the aforesaid Territories.)

9TH GEO. IV. CAP. XIV.

An Act for rendering a written Memorandum necessary to the validity of certain Promises and Engagements.
9th May, 1828.

Whereas by an Act passed in England in the twenty-first year of the Reign of King James the First, it was, among other things, enacted, that all actions of account and upon the case, other than such accounts as concern the trade of merchandize between Merchant and Merchant, their Factors or Servants, all actions of debt grounded upon any lending or contract without specialty, and all actions of debt for arrearages of rent, should be commenced within three years after the end of the then present Session of Parliament, or within six years next after the cause of such actions or suit, and not after. And whereas a similar Enactment is contained in an Act passed in Ireland in the tenth year of the reign of King Charles the First, and whereas various questions have arisen in actions founded on simple contract, as to the proof and effect of acknowledgments and promises offered in evidence for the purpose of taking cases out of the operation of the said Enactments; and it is expedient to prevent such questions and to make provision for giving effect to the said Enactments and to the intention thereof. Be it therefore enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority

of the same. That in actions of debt or upon the case, no acknowledgment shall be deemed sufficient unless it be in writing, or by part payment.

of the same. That in actions of debt or upon the case grounded upon any simple contract no acknowledgment or promise by words only shall be deemed sufficient evidence of a new or continuing contract, whereby to take any case out of the operation of the said Enactments, or either of them, or to deprive any party of the benefit thereof, unless such acknowledgment or promise shall be made or contained by or in some writing to be signed by the party chargeable thereby, and that where there shall be two or more Joint Contractors, or Executors or Administrators of any contractor no such Joint Contractor, Executor, or Administrator shall lose the benefit of the said Enactments, or either of them, so as to be chargeable in respect or by reason only by any written acknowledgment or promise made and signed by any other or others of them. Provided always, that nothing herein contained shall alter or take away or lessen the effect of any payment of any principal or interest made by any person whatsoever.

Joint Contractors. Provided also, that in actions to be commenced against two or more such Joint Contractors, or Executors or Administrators, if it shall appear at the trial or otherwise that the Plaintiff, though barred by either of the said recited Acts or this Act, as to one or more of such Joint Contractors, or Executors or Administrators, shall nevertheless be entitled to recover against any other or others of the Defendants, by virtue of a new acknowledgment or promise, or otherwise, judgment may be given and costs allowed for the Plaintiff as to such Defendant or Defendants against whom he shall recover, and for the other Defendant or Defendants against the Plaintiff.

Proviso for the case of Joint Contractors. II. And be it further enacted, that if any Defendant or Defendants in any action on any simple contract shall plead any matter in abatement, to the effect that any other person or persons ought to be jointly sued and issue be joined on such Plea, and it shall appear at the trial that the action could not, by reason of the said recited Acts, or this act, or of either of them, be maintained against the other person or persons named in such plea, or any of them, the issue joined on such plea shall be found against the party pleading the same.

Pleas in Abatement. III. And be it further enacted, that no indorsement or Memorandum of any payment written or made after the time appointed for this Act to take effect, upon any Promissory Note, Bill of Exchange, or other writing by or on the behalf of the party to whom such payment shall be made, shall be deemed sufficient proof of such payment so as to take the case out of the operation of either of the said Statutes.

Indorsements of Payment. IV. And be it further enacted, that the said recited Acts and this Act shall be deemed and taken to apply to the case of any debt on simple contract alleged by way of set off on the part of any Defendant, either by plea, notice, or otherwise.

Simple Contract debts alleged by way of set off. V. And be it further enacted, that no action shall be maintained whereby to charge any person upon any promise made after full age to pay any debt contracted during infancy, or upon any ratification after full age of any promise or simple contract made during infancy, unless such promise or ratification shall be made by some writing signed by the party to be charged therewith.

Confirmation of promises made by Infants. VI. And be it further enacted, that no action shall be brought whereby to charge any person upon or by reason of any representation or assurance made or given, concerning or relating to the character, conduct, credit, ability, trade or dealings of any other person, to the intent or purpose that such other person may obtain credit, money, or goods upon, unless such representation or assurance be made in writing signed by the party to be charged therewith.

Representations of Character. VII. And be it further enacted, that no action shall be brought whereby to charge any person upon or by reason of any representation or assurance made or given, concerning or relating to the character, conduct, credit, ability, trade or dealings of any other person, to the intent or purpose that such other person may obtain credit, money, or goods upon, unless such representation or assurance be made in writing signed by the party to be charged therewith.

29 Car. 2. C. 3.

VII. And whereas by an Act passed in England in the twenty-ninth year of the reign of King Charles the Second, intituled An Act for the prevention of Frauds and Perjuries, it is, among other things enacted, that from and after the twenty-fourth day of June one thousand six hundred and seventy-seven, no contract for the sale of any goods, wares and merchandizes, for the price of ten pounds sterling or upwards, shall be allowed to be good except the buyer shall accept part of the goods so sold, and actually receive the same, or give something in earnest to bind the bargain, or in part of payment; or that some note or memorandum in writing of the said bargain be made and signed by the parties to be charged by such contract, or their Agents thereunto lawfully authorized. And whereas a similar Enactment is contained in an Act passed in Ireland in the seventh year of the reign of King William the Third. And whereas it has been held that the said recited Enactments do not extend to certain executory contracts for the sale of goods, which nevertheless are within the mischief thereby intended to be remedied; and it is expedient to extend the said Enactments to such executory contracts; be it enacted, that the said Enactments shall extend to all contracts for the sale of goods of the value of ten pounds sterling and upwards, notwithstanding the goods may be intended to be delivered at some future time, or may not at the time of such contract be actually made, procured or provided, or fit or ready for delivery, or some Act may be requisite for the making or completing thereof, or rendering the same fit for delivery.

Irish Act 7. W. 3. C. 12.

Powers of recited Acts extended to Contracts for Goods of 10£ or upwards although the delivery be not made.

upwards, notwithstanding the goods may be intended to be delivered at some future time, or may not at the time of such contract be actually made, procured or provided, or fit or ready for delivery, or some Act may be requisite for the making or completing thereof, or rendering the same fit for delivery.

Memorandum exempted from Stamps.

by this Act shall be deemed to be an agreement within the meaning of any Statute relating to the duties of Stamps.

IV. And it is hereby provided, that all the proceedings of Magistrates under the authority of this Act shall be subject to the like appeal as other orders of Magistrates according to the Regulations of the respective Presidencies.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

NOTICE.

Tenders for the conveyance of Salt from Cuttack to the Government Golahs at Sulkea.

NOTICE is hereby given, that Tenders for the Transportation of Salt from the Central and Southern Agencies only to the Honorable Company's Golahs at Sulkea will be received by the respective Salt Agents, at their Offices until noon of the 1st August next, after which date no Tenders will be received.

2. Two separate Tenders will be received.—First, one for five years, from any Parties who will engage to furnish only Vessels which are *bonafide* their own property, provided that the rates are not in excess of those for the season just closed.—Second, for three years unfettered by the obligation of furnishing Vessels their own *bonafide* property.

3. The Tenders are to be made strictly according to a form which will be delivered on application by the several Agents, or may be obtained from this Office where full information will be afforded; and it is to be distinctly understood that no Tender will receive any consideration which varies at all from the form in question, or that does not Tender for the transport of at least one-third of

the Quantity to be exported from each Agency, that is to say, one and the same Tender shall express the rate per 100 Maunds at which the Salt will be brought from the Central Cuttack Agency and the rate per 100 Maunds at which the Salt will be brought by the same Tendering Party from the Southern Agency, and each Party tendering is to forward separate Tenders to each Agent whether for five or three years, each Tender including the rate for both Agencies.

4. The season of transportation extends from October to the March following, consequently the Contracts will be in effect from October next.

5. Parties tendering for five years are required to satisfy the Agent that they actually possess as their own *bonafide* property at the time of tendering, a sufficient quantity of Tonnage on fit and proper Vessels duly to convey the quantity of Salt for which they tender. If tendering only for three years, Parties are in like manner to satisfy the Agent, that they possess ample means whether by their own Vessels or hired ones to convey the quantity of Salt tendered for, and in both cases Lists of the Vessels are to be sent to the Agent; in the latter case specifying those actually belonging to the Tenderer and those which are hired.

6. Parties tendering are to furnish at the same time to the satisfaction of the Agent the security either of a House of Agency in Calcutta, or of a Landholder in the province of Cuttack for the due performance of the Contract.

7. Reference is to be made to the respective Agents for the probable quantity of Salt required to be exported during each season.

NOTICE.—The following Despatch from the Honorable Court of Directors dated 25th March last, has been communicated in a letter from the Secretary to the Government of Bengal, dated 20th May, instant, viz.

To the Managers of the Civil Service Annuity Fund.

Our Governor of the Presidency of Fort William in Bengal.

GENTLEMEN,

With reference to your letter dated the 7th April 1838, submitting a memorial from the Subscribers to the Civil Service Annuity Fund of this Presidency, I am directed by the Right Hon'ble the Governor to transmit to you for their information, the accompanying copy of a despatch from the Hon'ble the Court of Directors in the Financial Department dated the 25th March last, intimating that the Hon'ble Court have determined to sanction the continuance of the Plan of retirement on the payment of quarter value with refund of excess contribution until the 30th April 1842, and that the Court intend at no distant period to communicate to the Government their determination upon the questions upon this subject now under reference to them.

2nd. I am at the same time directed to call your early and particular attention to the 2nd Para. of the Despatch.

I have, &c.

London, the 25th March, 1840.

Letter from dated 11th April 1838, No. 9. Submitting Memorial from Managers of Civil Service Annuity Fund (of 7th April 1838.)

Secy's letter dated 11th July 1838, No. 150, A. Transmitting letter from Secretary to Civil Service Annuity Fund with enclosures, shewing the state of the Institution (of 30th June, 1838.

Para. 1. We have delayed notifying the letters referred to in the margin because we anticipated receiving the accounts of the state of the Civil Service Annuity Fund up to the 30th April last (1839,) sufficiently early to enable us to consider them before it became necessary to prepare for the expiration of the experimental term granted by our despatch to the Governor General of India of the

27th May, No. 7, of 1835, and extended to the 30th April next by our despatch of the 20th March 1838. In this however we have been disappointed, as those accounts have not yet reached us from your Presidency, although those for the year 1837-38, were despatched by you in the month of July 1838, and those for the past year have long since been received from Bombay.*

2nd. In order to afford time for the due examination of the Statements of the condition of the Fund, we have determined to sanction the continuance of the plan now in operation until the 31st April 1842, and we desire that in the meantime we may be furnished annually, and at the earliest practicable period, with such Statements as were required by our former orders on this subject.*

3rd. We intend at no distant period to communicate to you our determination upon the questions upon this subject now under reference to us.

We are, &c.

(Signed) R. JENKINS, &c.

True Copy,

(Signed) G. A. BUSHBY,

Secy. to the Government of Bengal.

With reference to the orders contained in this Despatch, the Managers publish for general information, the Statement entered in the margin* of unappropriated Annuities, which will be available on the 1st of August next, in case the Subscribers to the Fund should resolve upon the continuance of Rules 35 and 36 CONSEQUENTLY on the receipt of the above despatch.

* Statement prepared according to the tenor of Rule 35.

The value of nine Annuities allowed for 1840-41, commencing from the 1st May 1840, whereof two have been taken under the original Rules of the Fund, calculated upon the average age of those so taken, viz, 47 years, Co's Rs.	9,45,216
Reducible by the values of two Annuities taken on 1st May 1840, under the original Rules, i. e. at ½ Value Premium,	2,10,048
	7,35,168
Reducible, by one-third as lapsing to the Fund,	2,45,056
Remainder	4,90,112

If the Subscribers at the ensuing Meeting accept the Court's offer contained in the Despatch now published, Annuities to the value of this last sum (reducible if the whole be not claimed by Seniors by a part of the unadjusted value of our Annuity granted in 1838 at ½ Value Premium under special orders from the Court) will be available to Subscribers duly qualified, in the order of Seniority as respects the Applicants before the 1st of August next, and as respects other Applicants in the order in which they may apply for Annuities, upon payment of one-fourth instead of one-half of the value of their respective Annuities. And in the event of the sum at the credit of a Subscriber so applying exceeding one-fourth of the value of his Annuity, the Balance will be refundable to him on his admission to an Annuity.

may be pleased to approve, with reference to the Memorial of the 7th of April 1838, for the grant of Annuities on terms more favorable than half premium, provided that the full number of nine Annuities prayed for in the said Memorial be thereby available; and provided further, that the system of refunds be thereby discontinued." Third—"That the present circumstances of the Service are such as to render it unadvisable for the Subscribers to alter the Original Rules of the Fund in any manner which shall not provide for the two points mentioned in the foregoing resolution."

By order of the Managers,

H. V. BAYLEY, Secretary.

East India Army Agency,

16, CORNHILL, AND 8, ST. MARTIN'S PLACE,
CHARING CROSS.

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance.—Its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouched for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

"Whereas it has been found that the Law, as it now stands, relating to Goods shipped in the names of persons who are not the actual Proprietors thereof, and to the deposit or pledge of Goods, affords great facility to fraud, produces frequent litigation, and proves, in its effects, highly injurious to the interests of Commerce in general;" Be it therefore enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, that from and after the passing of this

Right of Owner to follow his Goods while in the hands of his Agent or of his Assignees in case of Bankruptcy, or to recover them from Assignees, &c. upon paying his advances secured upon them, &c.

III. Provided always, that nothing herein contained shall be deemed, construed, or taken to deprive or prevent the true Owner or Owners, Proprietor or Proprietors of such Goods, Wares or Merchandize, from demanding and recovering the same from

his, her, or their Factor or Factors, Agent or Agents, before the same shall have been so deposited or pledged or from the Assignee or Assignees of such Factor or Factors, Agent or Agents, in the event of his, her, or their Bankruptcy; nor to prevent any such Owner or Owners, Proprietor or Proprietors, from demanding or recovering of, and from any person or persons, or of or from the Assignees of any person or persons in case of his or her Bankruptcy, or of or from any body or bodies, politic or corporate, such Goods, Wares, or Merchandize so consigned, deposited, or pledged, upon repayment of the money or on restoration of the negotiable security or securities, or on payment of a sum of money equal to the amount of such security or securities, for which money or negotiable security or securities such person or persons, his, her, or their Assignee or Assignees, or such body or bodies, politic or corporate, may be entitled to any lien upon such Goods, Wares, or Merchandize, nor to prevent the said Owner or Owners, Proprietor or Proprietors, from recovering of and from such person or persons, body or bodies, politic or corporate, any balance or sum of money remaining in his, her, or their hands, as the produce of the sale of such Goods, Wares, or Merchandize, after deducting thereout the amount of the money or negotiable security or securities so advanced or given upon the security thereof as aforesaid. FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 29TH JUNE, 1840.

ACT No. XIV. OF 1840.

It is hereby enacted, that the Statute 9, Geo. IV. Ch. XIV. shall be extended to the Territories of the East India Company; provided always that this Act shall not be construed to affect any case, which, would not have been governed by the Law of England before the passing of the aforesaid Statute, if this Act had not passed; or to extend or alter the jurisdiction of any of Her Majesty's Courts of Justice.

The Statute hereby extended to the Territories of the East India Company is as follows (the sum of £10 mentioned therein to be deemed 100 Rupees in the application of the Statute to the aforesaid Territories.)

9TH GEO. IV. CAP. XIV.

An Act for rendering a written Memorandum necessary to the validity of certain Promises and Engagements.

9th May, 1828.

Whereas by an Act *English Act 21, Jas. 1* passed in England in the twenty-first year of the

Reign of King James the First, it was, among other things, enacted, that all actions of account and upon the case, other than such accounts as concern the trade of merchandize between Merchant and Merchant, their Factors or Servants, all actions of debt grounded upon any lending or contract without specialty, and all actions of debt for arrearages of rent, should be commenced within three years after the end of the then present Session of Parliament, or within six years next after the cause of such actions or suit, and not after.

And whereas a similar Enactment is contained in an Act passed in Ireland in the tenth year

of the reign of King Charles the First, and whereas various questions have arisen in actions founded on simple contract, as to the proof and effect of acknowledgments and promises offered in evidence for the purpose of taking cases out of the operation of the said Enactments; and it is expedient to prevent such questions and to make provision for giving effect to the said Enactments and to the intention thereof. Be it therefore enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority

In actions of debt or upon the case, no acknowledgment shall be deemed sufficient unless it be in writing, or by part payment.

of the same. That in actions of debt or upon the case grounded upon any simple contract no acknowledgment or promise by words only shall be deemed sufficient evidence of a new or con-

tinuing contract, whereby to take any case out of the operation of the said Enactments, or either of them, or to deprive any party of the benefit thereof, unless such acknowledgment or promise shall be made or contained by or in some writing to be signed by the party chargeable thereby, and that where there shall be two or more Joint

Joint Contractors.

Contractors, or Executors or Administrators of any contractor no such Joint Contractor, Executor, or Administrator shall lose the benefit of the said Enactments, or either of them, so as to be chargeable in respect or by reason only by any written acknowledgment or promise made and signed by any other or others of them. Provided always, that nothing herein contained shall alter or take away or lessen the effect of any payment of any principal or interest made by any person whatsoever.

Proviso for the case of Joint Contractors.

Provided also, that in actions to be commenced against two or more such

Joint Contractors, or Executors or Administrators, if it shall appear at the trial or otherwise that the Plaintiff, though barred by either of the said recited Acts or this Act, as to one or more of such Joint Contractors, or Executors or Administrators, shall nevertheless be entitled to recover against any other or others of the Defendants, by virtue of a new acknowledgment or promise, or otherwise, judgment may be given and costs allowed for the Plaintiff as to such Defendant or Defendants against whom he shall recover, and for the other Defendant or Defendants against the Plaintiff.

Pleas in Abatement.

II. And be it further enacted, that if any Defendant or Defendants in any action on any simple contract shall plead any matter in abatement, to the effect that any other person or persons ought to be jointly sued and issue be joined on such Plea, and it shall appear at the trial that the action could not, by reason of the said recited Acts, or this act, or of either of them, be maintained against the other person or persons named in such plea, or any of them, the issue joined on such plea shall be found against the party pleading the same.

Indorsements of Payment.

III. And be it further enacted, that no indorsement or Memorandum of any payment written or made after the time appointed for this Act to take effect, upon any Promissory Note, Bill of Exchange, or other writing by or on the behalf of the party to whom such payment shall be made, shall be deemed sufficient proof of such payment so as to take the case out of the operation of either of the said Statutes.

Simple Contract debts alleged by way of set off.

IV. And be it further enacted, that the said recited Acts and this Act shall be deemed and taken to apply to the case of any debt on simple contract alleged by way of set off on the part of any Defendant, either by plea, notice, or otherwise.

Confirmation of promises made by Infants.

V. And be it further enacted, that no action shall be maintained whereby to charge any person upon any promise made after full age to pay any debt contracted during infancy, or upon any ratification after full age of any promise or simple contract made during infancy, unless such promise or ratification shall be made by some writing signed by the party to be charged therewith.

Representations of Character.

VI. And be it further enacted, that no action shall be brought whereby to charge any person upon or by reason of any representation or assurance made or given, concerning or relating to the character, conduct, credit, ability, trade or dealings of any other person, to the intent or purpose that such other person may obtain credit, money, or goods upon, unless such representation or assurance be made in writing, signed by the party to be charged therewith.

29 Car. 2. C. 3.

VII. And whereas by an Act passed in England in the twenty-ninth year of the reign of King Charles the Second, intituled An Act for the prevention of Frauds and Perjuries, it is, among other things enacted, that from and after the twenty-fourth day of June one thousand six hundred and seventy-seven, no contract for the sale of any goods, wares and merchandizes, for the price of ten pounds sterling or upwards, shall be allowed to be good except the buyer shall accept part of the goods so sold, and actually receive the same, or give something in earnest to bind the bargain, or in part of payment; or that some note or memorandum in writing of the said bargain be made and signed by the parties to be charged by such contract, or their Agents thereunto lawfully authorized. And whereas

Irish Act 7. W. 3. C. 12. a similar Enactment is contained in an Act passed in Ireland in the seventh year of the reign of King William the Third. And whereas it has been held that the said recited Enactments do not extend to certain executory contracts for the sale of goods, which nevertheless are within the mischief thereby intended to be remedied; and it is expedient to extend the said Enactments to such executory contracts; be it

Powers of recited Acts extended to Contracts for Goods of 10£ or upwards although the delivery be not made. Enactments shall extend to all contracts for the sale of goods of the value of ten pounds sterling and upwards, notwithstanding the goods may be intended to be delivered at some future time, or may not at the time of such contract be actually made, procured or provided, or fit or ready for delivery, or some Act may be requisite for the making or completing thereof, or rendering the same fit for delivery.

Memorandum exempted from Stamps. And be it further enacted, that no memorandum or other writing made necessary by this Act shall be deemed to be an agreement within the meaning of any Statute relating to the duties of Stamps.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 6TH JULY, 1840.

The following Draft of a proposed Act was read in Council for the first time on the 6th July 1840.

ACT No. — of 1840.

An Act for the better Prevention of Local Nuisances.

I. It is hereby enacted, that it shall be lawful for any Magistrate when the public benefit and comfort are in question, to cause obstructions and nuisances to be removed from thoroughfares and public places, and to suppress or cause to be removed to a different place,

trades or occupations injurious to the health or comfort of the community, and to prevent such construction of buildings and such disposal of combustible substances as may appear to him likely to occasion conflagration, and to cause the removal of buildings in such state of weakness, as by the probability of their falling may appear to him to expose individuals to danger.

II. And it is hereby enacted, that in exercising the authority conferred by the above section the Magistrate shall commence by issuing an injunction, which, if practicable, shall be served personally on the parties concerned; but if such service shall be impracticable or very inconvenient, the injunction shall be notified by oral proclamation and a written notice thereof shall be set up at such place or places as may be best adapted for conveying information to the parties concerned. And in case such injunction be not obeyed, the Magistrate may compel observance thereof by force, and punish disobedience by fine not exceeding 200 Rupees or by imprisonment without labor for any period not exceeding one month, and if the Magistrate finds it necessary to incur expence in removing noxious or dangerous articles or buildings, it shall be lawful for him to sell the same or their materials by public auction in order to defray the charge, delivering any surplus that may remain to the owner.

III. And it is hereby provided and declared, that it shall be lawful for any person affected by such injunction or written notice as is above described, if he shall object thereto to claim by written petition to be presented to the Magistrate within the period of one day from the receipt of such injunction or of three days from the publication of such notice that a Jury or Panchayet may be appointed to try and decide the question, and the Magistrate shall on receiving such petition pass order thereupon for the appointment of a Jury or Panchayet, which shall consist of not less than five persons, whereof the President and one-half of the other Members shall be nominated by the Magistrate from the residents in the vicinity, and the remaining Members shall be nominated by the party petitioning. And the Magistrate shall suspend the further execution of the injunction or order pending such enquiry, and be guided by the decision of the said Jury which shall be according to the opinion of the majority. Provided however that if the petitioner shall by neglect or in any other way prevent the appointment of such Jury or Panchayet, or if, from any cause the Jury so appointed shall not decide and report within the time fixed in the order for their appointment, their functions shall cease from the date of the expiration of such period unless they be continued by special order of the Magistrate, and if from any of the above cause no decision be made by a Jury or Panchayet, the Magistrate's order shall take effect as if not opposed.

IV. And it is hereby provided, that all the proceedings of Magistrates under the authority of this Act shall be subject to the like appeal as other orders of Magistrates according to the Regulations of the respective Presidencies.

V. And it is hereby enacted, that this Act shall not be applicable within the local limits of Her Majesty's Courts of Justice.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 6th day of October next.

No. 192.

FORT WILLIAM,
GENERAL DEPARTMENT,
THE 15TH JULY, 1840.

Notice is hereby given, that the Salaries and Allowances of the Civil and Marine Departments, for July, Instant, will be discharged by the Sub-Treasurer and Marine Paymaster respectively, on or after Saturday, the 15th Proximo.

Published by Order of the Right Hon'ble the Governor General in Council,

G. A. BUSHBY,

Secy. to Govt. of India.

GENERAL ORDERS BY THE RIGHT HON'BLE THE GOVERNOR GENERAL
OF INDIA IN COUNCIL.
FORT WILLIAM, 8th July, 1840.

No. 146 of 1840.—1. It having been deemed an object of great importance to equalize the Pay and Allowances of the whole of the European Troops at the several Presidencies, on the same principle as that which guided the recent equalization of the Allowances of the Native Soldier; viz by taking the allowances fixed for the Bengal Army as the standard for the whole of India, the Right Hon'ble the Governor General of India in Council, in obedience to the instructions of the Hon'ble the Court of Directors issued with the sanction of Her Majesty's Secretary at War, is pleased to promulgate the following Orders:

2. From and after the 1st of November next, the European Troops at Madras and Bombay will be victualled by the public, and will receive the same rates of Pay and Compensation for Spirits as are issued to the corresponding classes of the Bengal Army.

3. The rates of Pay fixed for Soldiers of Her Majesty's Army by the Royal Warrant dated the 20th March 1837, if converted into Company's Rupees at the intrinsic par value of the two Coins, viz. 2s. 0½d. for the Rupee, are less than the rates established for the payment of the same ranks in Her Majesty's Regiments and in the East India Company's European Artillery and Infantry serving in the Bengal Presidency; but as the Bengal Scale has been enjoyed during a long course of years, it is not deemed necessary or desirable to make any reduction or alteration in it. The Bengal Standard, therefore, has been followed in the annexed general Table wherein a distinctive issue of Compensation for Spirits is omitted, and a consolidated amount declared, the whole of which is to be drawn in abstract from the Pay Department; and except in some few instances where the Pay is slightly increased, in order to preserve the relative proportions between the different ranks, as established by the Royal Warrant, the rates here laid down are precisely the same as now drawn by the Bengal Troops, and are declared to be henceforth applicable to the whole of India.

4. In the introduction of the new Pay Tables at the Presidencies of Madras and Bombay, it is directed that, in all cases when the Pay and Allowances of the other Presidencies have exceeded those of Bengal, the reductions are to be prospective and applicable only to Non-Commissioned Officers promoted, or to Men enlisted after the promulgation of this Order.

5. An uniform Table of daily rations for the three Presidencies at all Stations and Seasons, is established as follows; to take effect from the 1st of November, being the same scale as ordered for Her Majesty's Soldiers at Jamaica, with the addition herein granted of Firewood and Salt.

- 1 lb. of Bread.
- 1 Do. of Meat.
- 4 Oz. of Rice.
- 1½ Oz. of Sugar.
- ½ Oz. of Tea or Coffee.
- 3 lbs. of Firewood.
- 1 Chatack of Salt.

6. Hospital Stoppages at one established rate; that of Bengal to be introduced throughout India from the 1st of November: viz. Non-Commissioned Officers, including Serjeants, Corporals, Bombardiers, Horse and Foot Artillery, Trumpeters, Drummers and Fifers, each Company's Annas (3) Three, per diem; Privates and Farriers, Company's Annas (2) Two, per diem; European and East Indian Women, Company's Anna (1) One, per diem.

7. In the realization of Hospital Stoppages, Chap. 2d, Section 12, Page 167 to 172 of the Bengal Medical Regulations to be strictly attended to in all practical particulars at the other Presidencies.

8. In farther obedience to the Orders of the Hon'ble Court, the following Scale of Allowances, which are to be deemed prospective only and are not to affect those who now are, or who previously to the 1st of January 1841, may be drawing a higher rate of subsistence, is hereby established for all families of European Soldiers in future serving at the three Presidencies, the allowance for Children being strictly confined to legitimate Children:

	Rupees.	
European Women,	5	per Month.
East Indian,	3½	Ditto.
Children,	2½	Ditto.

POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 p. m. The other daily despatch will be sent off at noon.

Barrackpore	Jehanagore	The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail.

Jugrah	Jeagunge	
Santipore	Bogowangolah

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great increase of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ A. M.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, together with interest and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Secy. to the Govt. of India, Mily. Dept.

FORT WILLIAM, 15th July, 1840.

No. 154 of 1840.—Instances having recently occurred, in which the Agents for Proprietors of Bungalows situated within the limits of Military Cantonments have omitted to nominate a Member of the Committee of Arbitration held upon such Bungalows, under the provisions of the seventh and eighth clauses of the Regulation, No. 179, dated 12th of September 1836, and such omission having conducted to inconvenient results for which the Regulation cited provides no remedy, the Right Hon'ble the Governor General of India in Council is pleased to establish the following rule, as an addition to the eighth clause of the Regulation.

"Due notice shall in every instance be given to Proprietors of Premises, or to their Agents, by the Commanding Officer of the Cantonment, of the intention to hold a Committee thereupon; and should any such Proprietor or his Agent neglect to nominate a Member of such Committee, after having received due notice,—which, in all cases where the Proprietor or his Agent shall not be resident within the Cantonment or in its vicinity, shall be taken to mean an official notification dated 14 days before the day on which the Committee is to assemble.—it will be the duty of the Commanding Officer to nominate a Member of the Committee to represent such Proprietor, and the Committee shall thereupon proceed to arbitration."

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—
First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.
Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.
Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.
 Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

Government Golahs at Sulkea.*

NOTICE is hereby given, that Tenders for the Trans-
portation of Salt from the Central and Southern
Agencies only to the Honorable Company's Golahs at
Sulkea will be received by the respective Salt Agents, at
their Offices until noon of the 1st August next, after which
date no Tenders will be received.

2. Two separate Tenders will be received.—First, one
for five years, from any Parties who will engage to furnish
only Vessels which are *bonafide* their own property, pro-
vided that the rates are not in excess of those for the
season just closed.—Second, for three years unfettered by
the obligation of furnishing Vessels their own *bonafide*
property.

3. The Tenders are to be made strictly according to a
form which will be delivered on application by the several
Agents, or may be obtained from this Office where full
information will be afforded; and it is to be distinctly
understood that no Tender will receive any consideration
which varies at all from the form in question, or that
does not Tender for the transport of at least one-third of
the Quantity to be exported

* Note.—Parties are pro-
hibited from tendering for
different proportions from the
two Agencies. That is, if
they tender for $\frac{1}{3}$ of the
Quantity from one, they must
tender for the same propor-
tion from the other.

from* each Agency, that is
to say, one and the same
Tender shall express the rate
per 100 Maunds at which
the Salt will be brought from
the Central Cuttack Agency
and the rate per 100 Maunds
at which the Salt will be
brought by the same Tendering Party from the Southern
Agency, and each Party tendering is to forward separate
Tenders to each Agent whether for five or three years, each
Tender including the rate for both Agencies.

4. The season of transportation extends from October
to the March following, consequently the Contracts will
be in effect from October next.

5. Parties tendering for five years are required to satisfy
the Agent that they actually possess as their own *bonafide*
property at the time of tendering, a sufficient quantity of
Tonnage on fit and proper Vessels duly to convey the
quantity of Salt for which they tender. If tendering only
for three years, Parties are in like manner to satisfy the
Agent, that they possess ample means whether by their
own Vessels or hired ones to convey the quantity of Salt
tendered for, and in both cases Lists of the Vessels are to
be sent to the Agent; in the latter case specifying those
actually belonging to the Tenderer and those which are
hired.

6. Parties tendering are to furnish at the same time
to the satisfaction of the Agent the security either of a
House of Agency in Calcutta, or of a Landholder in the
province of Cuttack for the due performance of the Contract.

7. Reference is to be made to the respective Agents for
the probable quantity of Salt required to be exported during
each season.

POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 P. M. The other daily despatch will be sent off at noon.

Barrackpore	Jehanagore	The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail. The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great increase of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ A. M.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

NOTICE.

Tenders for the conveyance of Salt from Cuttack to the Government Golahs at Sulkea.

NOTICE is hereby given, that Tenders for the Transportation of Salt from the Central and Southern Agencies only to the Honorable Company's Golahs at Sulkea will be received by the respective Salt Agents, at their Offices until noon of the 1st August next, after which date no Tenders will be received.

2. Two separate Tenders will be received.—First, one for five years, from any Parties who will engage to furnish only Vessels which are *bonafide* their own property, provided that the rates are not in excess of those for the season just closed.—Second, for three years unfettered by the obligation of furnishing Vessels their own *bonafide* property.

3. The Tenders are to be made strictly according to a form which will be delivered on application by the several Agents, or may be obtained from this Office where full information will be afforded; and it is to be distinctly understood that no Tender will receive any consideration which varies at all from the form in question, or that does not Tender for the transport of at least one-third of the Quantity to be exported from each Agency, that is to say, one and the same Tender shall express the rate per 100 Maunds at which the Salt will be brought from the Central Cuttack Agency and the rate per 100 Maunds at which the Salt will be brought by the same Tendering Party from the Southern Agency, and each Party tendering is to forward separate Tenders to each Agent whether for five or three years, each Tender including the rate for both Agencies.

4. The season of transportation extends from October to the March following, consequently the Contracts will be in effect from October next.

5. If tendering only for three years, Parties are in like manner to satisfy the Agent, that they possess ample means whether by their own Vessels, or hired ones to convey the quantity of Salt tendered for, and in both cases Lists of the Vessels are to be sent to the Agent; in the latter case specifying those actually belonging to the Tenderer and those which are hired.

6. Parties tendering are to furnish at the same time to the satisfaction of the Agent the security either of a House of Agency in Calcutta, or of a Landholder in the province of Cuttack for the due performance of the Contract.

7. Reference is to be made to the respective Agents for the probable quantity of Salt required to be exported during each season.

R. WALKER, Collr. of Customs.

24th July, 1840.

The Collector has no objection to pass Packages, which are intended for private use, and not for Sale, unopened—provided that at the time they are applied for, satisfactory proof of their contents in the shape of Invoices, Bills, or Letters of Advice are produced. In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners or destinations.

NOTICE is hereby given, that the undermentioned Packages now lying on the Customhouse Premises, will be sold at Public Outcry, after one month from the date of this advertisement, unless previously claimed.

OVERLAND LETTERS AND POSTAGE.

It is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, letters of an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

NOTICE.

Tenders for the conveyance of Salt from Cuttack to the Government Golahs at Sulkea.

NOTICE is hereby given, that Tenders for the Transportation of Salt from the Central and Southern Agencies only to the Honorable Company's Golahs at Sulkea will be received by the respective Salt Agents, at their Offices until noon of the 1st August next, after which date no Tenders will be received.

2. Two separate Tenders will be received.—First, one for five years, from any Parties who will engage to furnish only Vessels which are *bonafide* their own property, provided that the rates are not in excess of those for the season just closed.—Second, for three years unfettered by the obligation of furnishing Vessels their own *bonafide* property.

3. The Tenders are to be made strictly according to form which will be delivered on application by the several Agents, or may be obtained from this Office where full information will be afforded; and it is to be distinctly understood that no Tender will receive any consideration which varies at all from the form in question, or that does not Tender for the transport of at least one-third of the Quantity to be exported from* each Agency.

* Note.—Parties are prohibited from tendering for different proportions from the two Agencies. That is, if they tender for $\frac{1}{3}$ of the Quantity from one, they must tender for the same proportion from the other.

brought by the same Tendering Party from the Southern Agency, and each Party tendering is to forward separate Tenders to each Agent whether for five or three years, each Tender including the rate for both Agencies.

4. The season of transportation extends from October to the March following, consequently the Contracts will be in effect from October next.

5. Parties tendering for five years are required to satisfy the Agent that they actually possess as their own bonafide property at the time of tendering, a sufficient quantity of Tonnage on fit and proper Vessels duly to convey the quantity of Salt for which they tender. If tendering only for three years, Parties are in like manner to satisfy the Agent, that they possess ample means whether by their own Vessels or hired ones to convey the quantity of Salt tendered for, and in both cases Lists of the Vessels are to be sent to the Agent; in the latter case specifying those actually belonging to the Tenderer and those which are hired.

6. Parties tendering are to furnish at the same time to the satisfaction of the Agent the security either of a House of Agency in Calcutta, or of a Landholder in the province of Cuttack for the due performance of the Contract.

7. Reference is to be made to the respective Agents for the probable quantity of Salt required to be exported during each season.

East India Army Agency,

16, CORNHILL, AND 8, ST. MARTIN'S PLACE,
CHANCING CROSS.

MESSRS. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance.—Its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouchered for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

MESSRS. COLVIN, AINSLIE, COWIE & Co., Calcutta.

Calcutta, General Post Office, the 28th July, 1840.

NOTICE.—With reference to the intended despatch of a Steamer from Bombay, on the 28th of August, with an Overland Mail to Suez.—Notice is hereby given, that the 11th proximo will be the latest safe date for the transmission of letters from Calcutta, which may be intended for that opportunity.

H. S. OLDFIELD,

Offg. Post Master General.

Fort William, Genl. Post Office, the 28th July, 1840.

POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 p. m. The other daily despatch will be sent off at noon.

The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail. The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great increase of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ a. m.

This despatch will include Letters, &c., for the several Stations noted in the margin. Letters from Calcutta intended for transmission by the noon despatch, for these Stations, must be delivered at this Office between the hours of 10 and 11½ a. m.

Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

NOTICE.

Tenders for the conveyance of Salt from Cuttack to the Government Golahs at Sulkea.

NOTICE is hereby given, that Tenders for the Transportation of Salt from the Central and Southern Agencies only to the Honorable Company's Golahs at Sulkea will be received by the respective Salt Agents, at their Offices until noon of the 1st August next, after which date no Tenders will be received.

2. Two separate Tenders will be received.—First, one for five years, from any Parties who will engage to furnish only Vessels which are *bonafide* their own property, provided that the rates are not in excess of those for the season just closed.—Second, for three years unfettered by the obligation of furnishing Vessels their own *bonafide* property.

3. The Tenders are to be made strictly according to a form which will be delivered on application by the several Agents, or may be obtained from this Office where full information will be afforded; and it is to be distinctly understood that no Tender will receive any consideration which varies at all from the form in question, or that does not Tender for the transport of at least one-third of the Quantity to be exported from each Agency, that is to say, one and the same Tender shall express the rate per 100 Maunds at which the Salt will be brought from the Central Cuttack Agency and the rate per 100 Maunds at which the Salt will be brought by the same Tendering Party from the Southern Agency, and each Party tendering is to forward separate Tenders to each Agent whether for five or three years, each Tender including the rate for both Agencies.

* Note.—Parties are prohibited from tendering for different proportions from the two Agencies. That is, if they tender for $\frac{1}{3}$ of the Quantity from one, they must tender for the same proportion from the other.

4. The season of transportation extends from October to the March following, consequently the Contracts will be in effect from October next.

5. Parties tendering for five years are required to satisfy the Agent that they actually possess as their own *bonafide* property at the time of tendering, a sufficient quantity of Tonnage on fit and proper Vessels duly to convey the quantity of Salt for which they tender. If tendering only for three years, Parties are in like manner to satisfy the Agent, that they possess ample means whether by their own Vessels or hired ones to convey the quantity of Salt tendered for, and in both cases Lists of the Vessels are to be sent to the Agent; in the latter case specifying those actually belonging to the Tenderer and those which are hired.

6. Parties tendering are to furnish at the same time to the satisfaction of the Agent the security either of a House of Agency in Calcutta, or of a Landholder in the province of Cuttack for the due performance of the Contract.

7. Reference is to be made to the respective Agents for the probable quantity of Salt required to be exported during each season.

obedience to the instructions of the Hon'ble the Court of Directors, promulgates for general information, the following revised rules for the employment in India, of Local Major Generals of Her Majesty's Service :

1st. Local Major Generals of Her Majesty's Service are eligible under the appointment of Government for employment as Brigadiers, where Queen's Troops are stationed, provided that such appointment shall not interfere with the Commands on the General Staff allotted to Company's Officers.

2. The Senior Local Major Generals, of the Regiments at each Presidency, are in preference to be so employed.

3. The period for which Local Major Generals may retain Brigade Commands is not restricted to any number of years, but they must vacate such Commands on the departure of their Regiments from India, or from one Presidency to another.

4. Local Major Generals of Her Majesty's Service, who prefer remaining in India in expectation of succeeding by seniority to Brigade Commands, may do so, selecting their residences within the Presidency in which their Regiments are serving, and receiving the Pay and Full Batta of their Regimental Rank.

5. Though Local Major Generals of Her Majesty's Service are permitted to remain in India unemployed, they are not precluded from retaining the Command of their respective Regiments, while they may at their option continue to exercise, provided there shall be no interference with the Brigade or other Commands allotted to Company's Officers.

It is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets only, which by that route, has now been reduced to 1s.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 6d. By the Falmouth route, Letters of an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s. Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2s. 6d.
